Africa Update (4/3/25)

Pastor Keith Merriman; Gibsonburg (Ohio) GB Chapel

Dear beloved brethren,
Greetings in the Lord Jesus Christ. Just some prayer points today.

Pastor Salomon, Raymond and Godfroid are meeting with the CGBCI pastors in Cameroon for a two-day ministerium on how to be more effective in the ministry. Please pray the Lord will bless them and their ministries. Also pray for journey mercies and good health.

Pastor Salomon's well was drilled this week and the finishing touches are being put on the plumbing. Please pray he will have a plentiful water supply and good water for drinking.

Please continue to pray for the churches in Rwanda they are still not open. Pray for the government leaders to have a change of heart and allow the churches to open again. The government is now thinking about taxing the churches! Pray this will not happen.

Also pray that Salomon and Mary will be able to get their French visas so they can stop and see Salomon's brother in Paris on the way to America. They are scheduled to be with us at national conference.

Thanks for your gifts and prayers, Keith

In the vestibule is a brief study from Dr. Herman Hoyt, an early Grace Brethren pioneer and second President of Grace Theological Seminary, which deals with the five essential and identifying elements of a New Testament Ordinance.
